

## General Conditions of the Tenerife Bodypainting International Festival 2018

**This document contains all rules for all categories.**

We want equality for all participants, so please comment for future editions. We ask you for reading all the rules of the different categories. We have to react with a reduction of points if we recognize any failure to comply with the rules.

### General Informations for all categories:

- The quantity of participants is limited. Please apply early to registration.
- Assistant rules: Every artist can have 1 assistant. Only the assistant will be named on the result lists.
- Every failure to comply with the rules will be sanctioned with a reduction of points. Note: The models are not allowed to paint on their own body or a second model of their artist, this would be counted as a second assistant. On the other side, the hairstyle only can be done by the official assistant or the artist.
- We don't allow paints, glues or sprays which are not skin safe. It is not acceptable to bring in danger the safety of the model.
- You can work with every brand of bodypainting, all kind of accessories or fx.
- You are allowed to bring concepts or sketches.
- If the artist uses any prohibited element during the contest, this will be sanctioned by a reduction of points up to 30 points. In extreme cases, the artist can be disqualified.
- The jury will be out of the professional world of bodypainting, makeup, photography and art.  
The final results will be published. Every artist can ask for detailed results.
- During the day, the jury will be on the festival ground to see the artists working to guarantee a equal evaluation. The jury will have assistants who can observe failures of the rules. Those assistants know all the rules and the time planning and will control also the beginning and end of competition.
- The festival is outside. If bad weather conditions make work impossible, the organisation can cancel the event or move it to another place. We will do everything possible to go on with the program.
- The models, artists and assistants have to sign a form before the event to allow the use of fotos, videos of their work.
- You have to cover the genitals of the model. It is possible to use covers of different materials.
- The model has to be at least 18 years old.

□ It is not allowed to use fire or fireworks in any moment of the contest.

## Categories:

The contest will be divided in three categories.

- \* Bodypainting Open Category – presented by 
- \* Bodypainting Brush and Sponge – presented by 
- \* Artistic Make Up and Hairstyle - presented by 

**Attention! In case of inscription of less than 7 artists in one or both bodypainting categories, we will value the option to unify those categories to one which will be Open Category.**

## Bodypainting Open Category

In this category you have 6 hours to paint.

It will be valued the combination of paint and/or airbrush, the use of special effects applied on the body.

There is no limit on the elements you apply on the body and the way you apply them. Just please respect the safety of the model.

For evaluation, the paint is so important as the special effects.

For special effects, the jury will value the integration of the elements in the body scape and not only the objects of decoration.

It is more important the quality of the special effects than the quantity or size of the used elements.

The artist can choose what the model wears on the head (own hair, artificial hair, bald cap, headpieces or other decorations).

It is allowed to prepare hairstyle and nails of the models before the competition.

Attention: It is not allowed to use any colours, bases, make up or other accessories before the official start.

## Bodypainting Brush and Sponge

In this category you have 6 hours to paint.

It will be valued the technique of classic paint with brush and or sponge.

It is not allowed to use airbrush. Neither use of accessories.

- artificial nails, fake lashes, effect contact lenses.
- Shoes (not higher than the knees)
- Artificial hair, extensions and decoration pieces only fixed on the part of hair.
- Glitter, loose or in form of spray.

-Glue to fix genital covers.

Everything which is not on this list, is not allowed. The use of other elements will be valued as failure of the rules.

Some examples of elements which are **not allowed** are:

-Rhinestones

-Glitter in form of gel

-Everything which has to be glued on the body

-Masks

-Everything which has to be fixed on the body with help of tapes, cords, elastics, exception on the head decoration.

For the stage presentation you can use additional complements as for example wings, fabrics etc.

## Artistic Make Up and Hairstyle

In this category you have 3 hours to work.

The neck, face and the breast part shall be covered. We will also value the hair style.

It is not allowed to work on the hair or use of accessories, colours or other elements in face or body before the competition.

In this category you **can use** the following objects:

-Effect Contact lenses, fake lashes

-glitter

-artificial hair

-Decoration and accessories on head or shoulders.

Some examples of elements which are **not allowed** are:

-Masks, pieces and special effects. Objects glued on the face.

## Evaluation of the jury:

The jury will judge in the following way:

Quality, technique and know-how 1 – 12 points.

Interpretation of the theme and originality 1 – 9 points.

Composition of the work and general impression 1 – 9 points.
